

Check-list for moving out (2 SIDES)

## Single studio/couples apartment

Bring all your belongings with you. If you had your own furniture, you must remember to remove it from your room. Do not forget your things in the storeroom, or your bike, if you have one.  
Remember to return the storeroom key.

OBS! Check all the corners twice

### KITCHEN

#### Kitchen cabinets

Inside	All shelves, OBS: corners. Remember the little shelf underneath the stove	
Cabin door	Inside and outside, especially the doorknob	
Doorknob		

#### Kitchen extractor

Filter	Take it down and clean it with degreaser	
Surfaces	All surfaces, especially around the filter and the buttons	

#### Stove

Cooking plate		
Inside	The oven	
Oven door	Inside and outside. Especially the glass on the inside. Remember the handle	

*Tip: Scraper and oven cleaner/jif skurekrem will make the job easier. If the glass is very dirty; spray on oven cleaner and leave for 10 minutes, scrub off with a steel scrub.*

#### Fridge

Shelves	Take them out to clean both sides, remember the small edge the glass is placed upon	
Door	Inside and outside, especially around the handle. Don't forget the rubber seals around the door	
Under	Pull out the fridge to clean under/behind	
Freezer	Unfreeze it if necessary	

Tip: Place a towel in front of the fridge when you defreeze the freezer to minimize the amount of water on the floor

#### DIV.

Kitchen sink	Use "jif skurekrem" etc. + the rough surface of the sponge	
Faucet		
Kitchen counter	Remember to also clean the wall around the sink and stove	

## BATHROOM

Mirror	Use a clean cloth, preferably microfiber	
Toilet	Remember under and behind + the toilet button	
Sink	Wash the "knot" in the sink and under / around the crane	
Shower	Remember the drain. The showerhead and the shower faucet, especially <i>underneath</i> the faucet.	
Shower curtain	Machine wash on a delicate program 40°	
Bathroom tiles	Tiles in the bathrooms in general, especially in the shower and around the sink	
Light	Dust on the top of the lamp. Remember the light switch	
Surfaces	Shelf, electrical outlet etc.	
Bathroom floor	OBS: Corners and under the toilet	

*Tip: Use your hand and feel the tiles, you will clearly notice soap residue on the tiles. Use chlorine spray, leave for about 10 minutes, then use a sponge with a hard surface to scrub it off, rinse with hot water. Repeat if necessary.*

## PRIVATE ROOM

Office-chair	The seat, especially on the back, wheels/chair-legs	
Office-desk	Surface and legs	
Electrical heater	Front and back
